5.	<p>Penanganan ODP dari Palembang di Posko Covid-19 Kampung Sumber Bahagia dilakukan sesuai protap yaitu dengan cara penyemprotan disinfektan untuk kendaraan mobil dan barang bawaan serta penyemprotan ODP menggunakan sabun.</p>	 A photograph showing a person in a dark uniform standing inside a structure covered with clear plastic sheeting. The person is positioned in the center, facing the camera. The structure appears to be a temporary disinfection station. The background is dark, and there is a bright light source on the right side, creating a lens flare effect. The floor is concrete and appears to be wet or recently cleaned.
