		 The 'FOTO' column contains two side-by-side photographs. The left photograph shows a group of people in protective suits (orange and white) sitting on a concrete step or bench under a covered structure. One person in a white suit is standing and talking to others. The right photograph shows a person in an orange protective suit kneeling on the ground, working with plants in a garden bed. Other people in protective suits are visible in the background under a similar covered structure.

3	<p>Tim Gugus Tugas Covid-19 di Kampung Rama Murti Kec. Seputih Raman tetap siaga mendata dan mengecek kesehatan untuk warga yang baru pulang dari rantauan serta melakukan penanganan sesuai protap yang telah ditentukan.</p>	 The 'FOTO' column contains two side-by-side photographs. The left photograph shows a health screening activity at night. A person in a red long-sleeved shirt is using a handheld infrared thermometer to check the forehead of a woman wearing a maroon polo shirt and a face mask. Other people, some wearing masks, are visible in the background. The right photograph shows a disinfection activity. A person in a full white protective suit and hood is carrying a yellow backpack sprayer, likely containing disinfectant, and is standing on a blue patterned mat. A white car is parked nearby.
