3.	Tim Gugus Covid-19 Kampung Bina Karya Mandiri bergerak berantas Covid-19.	 A group of approximately seven people are standing on a dirt path outdoors. Several individuals are wearing green uniforms and green face masks, characteristic of a health or safety team. One person in the center is wearing a striped shirt and a blue face mask. They appear to be holding equipment, possibly for disinfection or health checks. In the background, there are palm trees, a utility pole, and a motorcycle parked on the right.
